International Customers

You may be subject to various taxes and duties levied by your province or country, but do not need to remit these amounts to ABA Sales. If you refuse shipment because you are surprised by these taxes and duties, you are still liable to ABA Sales for outbound and return postage and any other costs it incurred in trying to fill your order.

All International packages will be shipped via FedEx international (if expedited) or international airmail insured.

Backorders

Backorders are noted on the packing slip packed with your order. We do not charge additional shipping when backordered items are shipped. Backorders are shipped automatically unless you instruct us to cancel them or specify "No Backorders" at the time you place your order.

Orders are usually dispatched UPS Ground (or Priority Post if to a P.O. Box, APO address or if Priority is stated as preferred) within 24 hours of receipt.

Add 7% sales tax for shipments to a North Carolina address.

No sales tax necessary when shipping to anywhere outside of North Carolina.
